**September 2024**

.....

Forming Consciences for Faithful  
Citizenship, Introductory Note, USCCB

“The threat of abortion remains our  
**pre-eminent priority** [emphasis added]  
because it directly attacks our most vulnerable  
and voiceless brothers and sisters and destroys  
more than a million lives per year in our  
country alone.”

Learn how to help abortion-vulnerable mothers CHOOSE LIFE using the peaceful, prayerful, proven method of Sidewalk Advocates for Life. Sidewalk Advocates for Life is an international sidewalk counseling organization that, through their life-saving training program, teaches men and women how to peacefully and effectively offer loving, life-affirming alternatives for those entering the local abortion facility. We have established a program here in our local community, and our mission is to help mothers-in-crisis so that we eliminate demand and, ultimately, end abortion right here in our area!

# Embrace Life

September 2024 update:

The Embrace Life Ministry is pleased to announce that we have six single Moms who are interested in joining our group this fall. We meet Monday evenings at St. Lawrence Church from 6:30-8:00pm. This semester, our Moms will be enjoying the newly updated curriculum. They will be learning about a relationship with God, prayer, developing lasting friendships, healing from trauma, ways to follow Christ, co-parenting/blended families, setting goals, and the mercy and grace that we can receive from God. In the middle of the semester we will invite a parishioner or two to share their testimony with our Brave Moms. In the past, this has been one of our most important meetings as women from our parish graciously share their hearts with our Moms. We have

seen many hearts change in our Moms after they are touched by the real life experiences of women who have been in their shoes. All unmarried mothers are welcome to attend this faith-based group, and we will accept new Moms until September 30th. (The content each week builds on the week before)

Embrace Life is a two semester program and will continue through the beginning of December when we wrap up with our “Adventure Day” celebration event. We will resume again in February after a winter break.

With increased interest, we have an increased need for babysitters, and so we ask that Pro-Life committee members prayerfully consider helping our ministry in this way. We also ask for prayers for good health: physical, mental, and emotional for our mothers and their children. We have had to delay the start of the semester by one week due to illness. If you would like to join our Embrace Life prayer list, please contact Jennie or Diane at [embracegraceasp@gmail.com](mailto:embracegraceasp@gmail.com) and you will receive specific and beautiful weekly prayers (during the semester) written by our volunteer, Becka.

## Action: What Can I Do?

*Let's get to work.*

- **Pray and pray again...and then some more.**
- **Respect, Honor and Support Motherhood** in our actions and words. Consider volunteering with our Embrace Life Ministry.
- **Sidewalk Advocacy:** *This is so very important!* We need to lead abortion-minded women away from abortion and away from a future of regret and depression. We must protect the lives of their children. The stats show that this type of work CLOSES abortion clinics. Training is coming up on September 21st (see details above). Sidewalk Advocates for Life is a national organization and their methods are tried and true.

- **40 Days for Life:** Participate in the Fall and Fall 40 Days for Life campaign. Our community of Dearborn County Catholics cover three full days of vigil on location at the Planned Parenthood in Cincinnati during each campaign. Join us or go on your own. The next campaign is Oct. 26-28.
- **Support your local Pregnancy Centers** by volunteering or donating (baby supplies or money). All Saints Parish supports the Pregnancy Care Center in Lawrenceburg and the Pregnancy Help Center in Brookville.
- **Join a local pro-life group** like the All Saints Pro-Life Committee or the Respect Life Committee that meets at St. Lawrence!
- **Contact your Indiana representatives**
