

Immaculate Conception Novena

November 29 – December 7

O Mary Immaculate, lily of purity, I salute you, because from the very first instant of your conception you were filled with grace. I thank and adore the Most Holy Trinity for having imparted to you favors so sublime. O Mary, full of grace, help me to share, even just a little, in the fullness of grace so wonderfully bestowed on you in your Immaculate Conception. With firm confidence in your never failing intercession, we beseech you to obtain for us the intention of this novena, (mention your request) and also that purity of mind, heart, and body necessary to unite us with God.

Amen.

O Mary, conceived without sin, pray for us who have recourse to you. O Mother of God, by your Immaculate Conception, intercede for us with your Divine Son, and obtain for us from Him, the favor for which we pray.

Amen.

Hail Mary...
