

Be Seen, Do Good: 2026 Gobble Wobble & Pre-Turkey Sponsorships Now Open!

It's that time of year—when the miles turn meaningful and the wobble fuels the gobble! We're inviting you to be a 2026 valued sponsor of **the two largest, most impactful 5Ks in the county**—the **Gobble Wobble** and the **Pre-Turkey 5K**.

Together, these events brought out over **1,500 runners and walkers** last year and raised **over \$75,000** to supply food and essentials to local families in need. These races aren't just traditions—they're the biggest annual fundraisers for food pantries across our region.

What's New for 2026?

Post Race Refreshments: Out with the digital flyer, in with tangible impact! Deliver co-branded post-race refreshments straight into the hands of participants.

Sponsor Spotlight Lane: Upgrading traditional start/finish line signage with a spotlight lane, ensuring the signage you provide gets maximum high-traffic visibility.

Race Bib Logo: Premium race bib branding, reserved exclusively for Diamond Elite Sponsors.

These new perks are optional add-ons based on your sponsorship tier - perfect for brands looking for deeper community engagement!
