

Novena to St. Therese of Lisieux

September 22 – October 1

O Little Therese of the Child Jesus, please pick for me a rose from the heavenly garden and send it to me as a message of love.

O Little Flower of Jesus, ask God to grant the favors I now place with confidence in your hands:

(mention your special prayer request here)

St. Therese, help me to always believe as you did, in God's great love for me, so that I may imitate your "Little Way" each day.

Amen.
